"I Wear the New #91 Lee Overalls"

HERE at last is the overall that railroad men have been looking for. The new #91 Lee Overalls—a revelation, a pleasant surprise to every man who puts on a pair.

You don't have to look far to find the reason why. Lee textile experts, after months of research and experiment, perfected the *new Lee Denim*—a new fabric with 50% more strength than any denim yet produced. And only in #91 Lee Overalls is this new Lee Denim used.

The combination of this new Lee Denim with the following Lee features of design and construction that have long been favorites with railroadmen, makes the new #91 Lee the standard by which all other overalls are judged:

New improved cut-in-one piece, two-ply broad suspenders—lie flat on shoulders.

Extra high form fitting bib—no gap at sides—double stitched to overalls.

Extra long easy stride crotch fork.

Self-locking rule pocket on right and new plier pocket on left side.

New extra heavy sail cloth, deep front pockets, triple-stitched. Special pocket, the only match pocket in which matches lay flat to prevent falling out.

Large, roomy, form-fitting, extra long jacket.

Three-button cuff and extra long set-in sleeve—extra roomy armholes and elbow.

Riveted jewelers brass flexo buttons—will not rust or come off.

New can't slip suspender slides and new solid brass can't rust buttons.

Famous Lee 3-in-1 safety watch, notebook and self-locking pencil pocket.

Large double wear deep reinforced and lined pockets.

Triple stitched seams and rip-proof buttonholes, made with 7-lb. tested thread.

Reinforced side openings—prevent splitting and tearing.

Extra wide hammer loop.

Cinder-proof collar—adjustable tab extension.

Deep, lined and reinforced large side pockets—right breast pocket with buttoned down flap, left breast pocket the famous Lee 3-in-1.

Two inside pockets.

But only by seeing the new #91 Lee Overalls can you fully appreciate them. Feel the new Lee Denim. Note the features listed above. Then wear a pair. You cannot lose. The Lee guarantee protects you.

And once you wear the new #91 Overalls you never again will be satisfied with ordinary overalls. You'll say with pride, "I wear the new #91 Lee."

THE LEE GUARANTEE

If you do not find the new #91 LEE Overalls to be the most satisfactory and best value-giving overall you have ever worn, you can get a new pair or your money back.
