When
Dreams
Come
True

Dreams of a better, bigger home! Dreams of more comforts, more luxuries! Dreams of more of those things that make life worth living! Dreams of—

But Why Dream?

Why not put Montgomery Ward & Co.'s new 1000-page catalogue back of your dreams and turn dreams into realities?

Why not harness every one of your hard earned dollars and make them yield for you more value in the future than in the past—and then your dreams will come true.

The conservation of the dollar is the vital issue in these days of high cost of living. And the Montgomery Ward & Co.'s catalogue is the great text-book that will help more than any other book to solve that problem.

It tells how to purchase your foods, furniture, clothing, farm implements, luxuries, everything for the home, farm or field at the lowest possible prices, with all the useless middleman's profit left out.

It has a thousand pages, with a hundred thousand opportunities for saving.

This great text-book is free for the asking. All you need do is to write us a note today saying: "Send your new 1000-

page book without cost or obligation to me"—and it will come by return mail.

You have had the dream of better living, of getting more comfort for all the family than you have had in the past.

Why not let this dream come true? Why not send for the book today?—

Now, while you think of it?

THE DEARBORN PROCESS

of treating locomotive boiler waters requires no outlay of capital for installation of equipment; the manner of applying the treatment is simple; the cost per thousand gallons of water is less than by any other method; and the desired results are assured if the treatment is correctly used.

Gallon samples of the waters required for analysis.
