Programs-Services-Technology Committee: Denniston reported for the Programs-Service-Technology Committee that met on Friday, March 13, 2020 at the Library Center.

Committee members heard a presentation from David Patillo, the Library’s IT manager. Patillo shared information about the library’s ongoing cyber-security efforts. The library conducts an annual security and disaster recovery audit. Cyber threats have increased and the library’s cyber security insurance has been increased to match the need.

Buildings & Grounds Committee: Risdal-Barnes reported for the Buildings & Grounds Committee that met Tuesday, March 10, 2020 at the Schweitzer Brentwood Branch Library. Highlights included:

- At the Library Center:
  - A three foot wide non-slip floor mat has been added near the front doors.
  - Work on the drainage area on the north end of the building will begin
shortly. The engineer is finalizing plans.
  o The vinyl tile in the Story Hour Room has been replaced.

due to inclement weather during the month of February.

Library is able to return to normal business operations.
• Lastly, the committee discussed potential ramifications of Covid-19 on the 2019-
2020 budget.

4. Library Foundation Update:
Library Foundation Board President, Laurie Edmondson reported on behalf of the
Library Foundation as follows:

• The Library Foundation is sad to announce the unexpected loss of board
member, Jim Gorst. Mr. Gorst was an enthusiast and eager participant in
the governance of the Library Foundation. Foundation Board members are
working on a possible memorial for him in the future.
• The Library Station lost a friend and benefactor, Bill Hickory. In January
2015, when the Library Station reached out to Ozarks Garden Railway
Society for help with its train, Bill enthusiastically answered the call. He
worked on a plan for rebuilding and keeping the model railway running
into the future. He organized volunteers, raised money (including his own),
cleaned rails, and tinkered on engines, cars and track. This past year, he
was instrumental in helping us fully fund the Help-a-Librarian project for a
new engine. As you may know, the Library Foundation created a
permanent fund to support the train called Big John Train Fund. Bill is
greatly missed but his legacy lives on.
• The Library Foundation met on February 24. The board approved a grant
request for $1,000 to refresh and replace toys throughout the district. The
foundation paid $12,926.98 to the library in grants and distributions in
February.

5. Report of the Director:
Cooper highlighted many items from the Executive Director’s Report for March

Cooper shared updated information concerning Covid-19. Both the city of
Springfield and Greene County have issued a stay at home order that begins at 12:01 a.m. Thursday, March 26th and remains in effect until April 24th. This means the library must remain closed until April 24th. Cooper asserts that the library’s current cash flow will allow the library to pay the library staff through April 24th and that is Regina’s recommendation to the board.

Cooper reported that the library has increased the amount spent on digital resources such as Hoopla, RB Digital and Overdrive while reducing the amount spent on physical collections at this time.

Waites expressed a desire for Cooper to speak to Greene County Health Department officials to ask about the feasibility of opening the Library Express West kiosk to the public during the stay at home order. Cooper feels opening, operating, and servicing the kiosk at this time violates the stay at home order.

6. **Old Business**
- none-

7. **New Business**
- Cooper explained that Panera Bread’s parent company contacted Cooper requesting a rent deferment due to drastically reduced store receipts at the Library Station Panera Bread location during the Covid-19 pandemic. The deferment would cover the months of April, May and June 2020. Cooper feels it is important to note they are not asking for rent payment forgiveness for these periods. The Trustees gave their blessing for Cooper to contact Panera Bread’s parent company executives to approve the requested rent deferment through June 2020.

8. **Miscellaneous Items**
- Cooper reminded trustees that Risdal-Barnes 2nd term on the board is set to expire in June 2020 and a new board member will be needed. This will be a county representative, and trustees are asked to submit suggestions to Cooper.
- Cooper asked trustees about the status of the spring board retreat scheduled for April 21st given the stay at home order. The trustees expressed a desire to reschedule the board retreat to a date in the future when we can meet face to face.

9. **Adjournment**
There being no further business, Garvin called for a motion to adjourn. Chenevert, Jr. moved to adjourn; Beecham seconded. Garvin yea, Chenevert, Jr. yea, Waites yea, Beecham yea, Risdal-Barnes yea, Ward yea, Denniston yea, Moore yea. Motion carried.

The regular session was adjourned at 4:54p.m.
