3. Standing Committees:

   Buildings and Grounds Committee: Risdal-Barnes reported for the Buildings and Grounds Committee that met Tuesday, October 09, 2018 at 8:00 a.m.

   Risdal-Barnes reported highlights including:
   - Repairs have been completed on the canopy at the Library Center.
   - A Hiland Dairy delivery truck hit a pole in front of the staff entrance at the rear of the Library Center. Those repairs are pending.
   - The replacement of the awnings at the Library Center has been completed.
• The issue of rezoning land to the south of the Library Center has progressed through the first reading at a recent Springfield City Council meeting and is proceeding through the council process.
• The Library Express West is expected to be installed soon, and a ribbon-cutting is tentatively scheduled for December 11th at 10:00 a.m.
• The library will be purchasing a replacement refrigerator for the Big Mama’s café at the Midtown-Carnegie Library.
• The elevator at the Midtown-Carnegie Library is no longer operating consistently. Kone Inc., the existing elevator’s manufacturer and maintenance provider was consulted. Kone’s proposal is to modernize the equipment which would involve extensive repairs to the unit. Elevators have a reasonable operational lifespan of 20 years, but we have had the current elevator in operation at the Midtown-Carnegie Library since 1977. The proposal totaled $106,000 and included amounts of $93,000 for mechanical modernization and $13,000 for cab refurbishment. The bid is sourced through a government procurement structure which allows us to get the cheapest price possible. In addition, if we were to switch manufacturers, we would be forced to replace the elevator entirely resulting in much higher costs.

Finance and Personnel Committee: Waites reported for the Finance-Personnel Committee that met Tuesday, October 16, 2018 at 8:00 a.m. at the Schweitzer Brentwood Branch Library.

Waites reported the committee examined Kone’s bid for elevator modernization and cab refurbishment. The Finance-Personnel committee discussed reallocating $90,000 from HVAC replacements slated for 2018-2019 to pay for the bulk of the elevator modernization. The HVAC replacements would be rescheduled and budgeted for 2019-2020. The remaining $16,478.33 could come from the contingency fund for 2018-2019 and could be reallocated by Cooper without board approval. The Finance-Personnel committee is recommending the reallocation of $90,000 from HVAC replacements slated for 2018-2019 to fund the elevator modernization.

Waites made a motion to approve this recommendation coming from the Finance-Personnel Committee to reallocate $90,000 from HVAC replacements slated for 2018-2019 to fund the elevator modernization; Risdal-Barnes seconded. Garvin yea, Risdal-Barnes yea, Waites yea, Ehase yea, Norgard yea, Denniston yea, Chenevert, Jr. yea.
