Get Census 2010 questionnaire help at the Library

The 2010 Census questionnaire has been mailed to all U.S. residents to get an accurate count of how many of us live here. A major Census Bureau campaign, “It’s In Our Hands,” encourages everyone to participate, taking 10 minutes to complete 10 questions. Census forms are due by mail in April.

Six Springfield-Greene County Libraries will provide a designated space through April 19 where a trained, U.S. Census 2010 worker will be available to answer any questions you have about filling out the census form. Look for the sign in each branch for room location.
