

The COMMUNITY TECHNOLOGY CENTER Edge

Class Calendar
March-May 2021
Call 837-5011 for information.

- Free Computer Training
- Personal and Professional Development Resources
- Maker Space & Media Lab

Dream It There, Make It Here — at the Library's Maker Space

Let the Library be your laboratory! Inside the new Maker Space at the Midtown Carnegie Branch Library, you can create what you can dream.

Use the laser engraver to make a sign or beautiful designs on wood, acrylic, paper and cardboard. You can make your own puzzles, too.

- Program the vinyl cutter and make iron-on transfers for T-shirts and signs.
- Use the 3D printer to make everything from replacement parts for cabinets and shelving to board game pieces.
- Convert and save your negatives, slides, VHS and DVD movies to a USB drive or SD card with the video transfer equipment.
- Use one of two soldering stations to repair electric components or make or fix jewelry.

Use of the Maker Space, including tours to get acquainted with the equipment, is by appointment by calling the Edge at 417-837-5011. Fees apply for materials.

Instructor-Led Classes

Improve your career and personal skills with FREE hands-on classes. An Edge instructor will guide you through practice exercises and help you build new computer and internet skills.

One-on-One Help

Reserve an hour with an Edge staff member for answers to your technology questions. We can help with specific questions about using your tablet or smartphone, creating and using an email account, getting started with Microsoft Office products and more. **Postponed until further notice due to social distancing for the safety of staff and patrons.**

Self-Guided Tutorials

Virtual Learning Center (VLC).

Follow along step-by-step as a video instructor guides you through new technology and software skills.

Interactive sessions allow you to take part in practice exercises and quizzes to reinforce your skills as you go. Build keyboarding skills with guided lessons and practice games. Repeat lessons as many times as you like, so you can learn at your own pace.

Lynda.com. Learn technology and business skills with online video courses you can watch anywhere. Register for a tutorial session at the Edge or visit

thelibrary.org/lynda to set up a free account with your library card.

The Edge Community Technology Center is located on the lower level of the Midtown Carnegie Branch Library, 397 E. Central St. For more information, call 837-5011, or visit thelibrary.org/edge.
