Make It, Fix It, Preserve It at the Maker Space

DIYers, Doers and Master Fix-its have used the Maker Space to make signs, letter T-shirts, preserve photos, make toy replacement parts, and more. See what you can do!

- Use the laser engraver to make a sign or designs on wood, acrylic, paper and cardboard. Make your own puzzles.
- Program the vinyl cutter to make iron-on transfers for T-shirts, plaques or flags.
- Use the 3D printer to make replacement parts for toys, shelving, cabinets and board game pieces — or just art.
- Convert and save your old negatives, slides, VHS and DVD movies to a USB drive or SD card using the video transfer equipment.
- Repair electronic components, make or fix jewelry at the soldering station.

Tammy Flowers uses the Maker Space laser engraver to make finely etched wood earrings, She used the same equipment to engrave and personalize a charcuterie board. Call 417-837-5011 for an appointment or a tour to see what you can do at the Maker Space.
