 Appliance Co.**  
 Railway Exchange Bldg. — CHICAGO, ILL.  
 57 Post Street — SAN FRANCISCO, CAL.

**Helping the Mechanical  
 Officers of Railways**

Our complete facilities, not only for the designing and building of motive power to meet any requirements, but also for the rebuilding and modernizing of locomotives heavy enough to still do effective work, are at the command of the Mechanical Officers of any Railway.

We are prepared to modernize locomotives in our own Works, or to manufacture the parts needed and forward them to Company Shops.
