"Red Ball" Insures
Preferential Handling

UNDER "Red Ball" billing your live stock, perishables, and many other commodities have the right of way over all other freight. Distinctive "Red Ball" markings on cars assure preferential handling from point of origin to destination. A special report system provides you with information at all times as to the exact location of any "Red Ball" shipment.

To expedite your freight movements to, from or thru Frisco-land, ask the nearest Traffic Department representative about full details of "Red Ball" billing "via Frisco Lines."
