

SUGGESTED INSTALLATION

- Floor plan dimensions: **27' x 32' (864 SQ FT)**
- Exhibit height: **96"**
- Minimum clearance requirement: **4'**

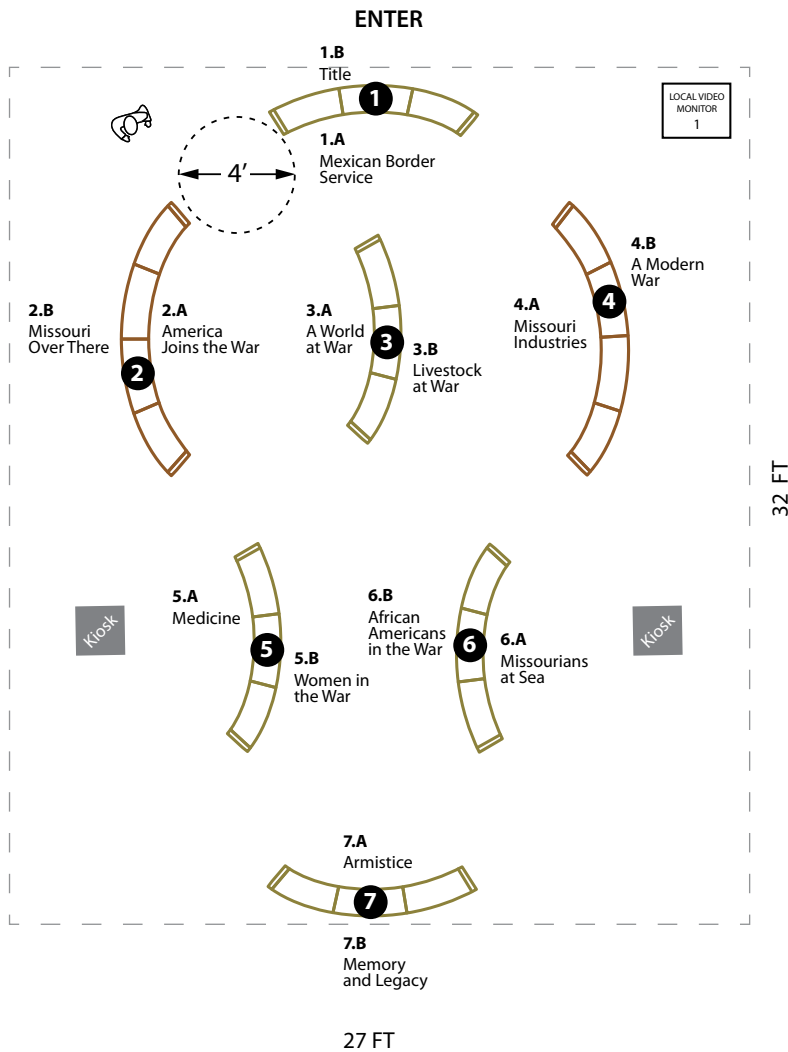

1. Make a plan for location of all units BEFORE you unpack cases.
2. Check for 8 ft Minimum ceiling height.
3. Leave at least 4' between units. Remember that groups need room to stand and circulate.

KEY:
